

# Next Step 2018 Post-School Destinations St John's School

This is a summary of the post-school destinations of students from St John's School who completed Year 12 and gained a Senior Statement in 2017. The results are from the *Year 12 Completers Survey*, which is conducted approximately six months after students completed Year 12.

For more information about the survey visit the *Next Step* website [www.qld.gov.au/nextstep](http://www.qld.gov.au/nextstep). Regional and statewide reports will be available from October 2018.

### 65.0% response rate

26 out of 40 Year 12 completers from this school responded to the 2018 survey.  
*Results may not be representative of all Year 12 completers at this school.*

### Post-school destinations

In 2018, 92.3% of Year 12 completers from St John's School were engaged in education, training or employment in the year after they completed school.

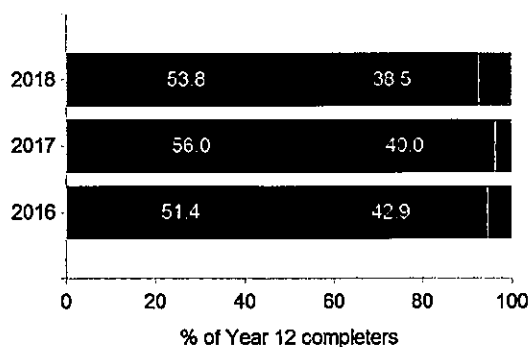

Of the 26 respondents, 53.8% continued in some recognised form of education and training. The most common study destination was bachelor degree.

A further 38.5% transitioned directly into paid employment and no further study.

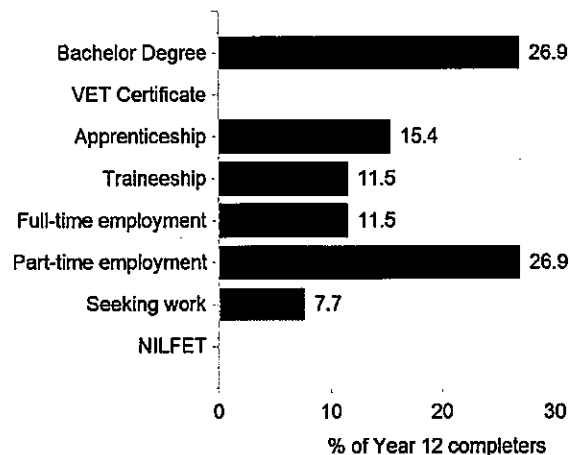

**All Year 12 completers were assigned to a *main destination*. Respondents who were both studying and working are reported as being in education or training, including apprentices and trainees.**

Government**

## Introduction

This report is to inform the school community about Year 12 completers' transitions into further education, training and employment.

This information is useful for:

- reviewing programs and services, such as subject offerings, career advice and links with employers and tertiary institutions
- reporting to parents through newsletters, annual reports and the school website.

The results are from the Department of Education's *Next Step — Year 12 Completers* survey. The survey is conducted six months after the end of each school year when students will have accepted tertiary education places. Students who completed Year 12 in 2017 at a State, Catholic or Independent school, or TAFE secondary college in Queensland are included.

Post-school destinations are influenced by the transitioning environment, which can limit the options available to young people. Low response rates may not give an accurate summary of the school cohort's destinations.
